What are parent's objectives for this adventure for their Teen?

Is there anything special we should know about the Teen?

What are you (Teen) looking most forward to this summer?

---

### STUDENT – PARENT AGREEMENT

Our program is designed to be fun and exciting; it is not a therapeutic or rehabilitation program for troubled youth. Teens must be willing and eager to participate and cooperate. They must be fully informed of the nature of the program, and included in the decision to attend.

I am/my son or daughter is enthusiastic about participating in the program and we agree that the outdoor activities at Howling Wolf Adventures are exciting and fun, however we understand that at times, the activities can be strenuous and physically challenging. I will cooperate with the other group members and the staff, do my best to maintain a positive attitude, and try my best while participating in the program.

We fully understand that the use, possession of illegal drugs, alcohol, or any type of tobacco; failure to cooperate with staff; discriminatory or abusive comments or actions, violence, sexual conduct and actions or behaviors deemed to affect negatively the overall safety of the group or infringe on other participants rights to enjoy the adventure will not be tolerated. Infractions will result in immediate dismissal without refund. Parents assume all responsibility for any additional travel expenses or costs that are incurred.

We also understand that to reach the goals of the program and to insure the best possible experience for all participants, a willingness to participate enthusiastically in the program activities, be in good physical condition, contribute to the group, avoid mutually exclusive one-to-one relationships, and have a positive attitude are essential.

I/we agree to abide by Howling Wolf Adventures policies and standards and am looking forward to the summer!
